LETTER OF RECOMENDATION

By **Prof. Alba Cappellieri**,

Director of Accesory Design Dept, Poli Design, Politechnico di Milano, Italy

Milan, December 15, 2020

Dear Madam/Sir:

I'm writing this letter to support of **Shreyashee Kumar** for your company.

I met Shreyashee Kumar when she attended the Politecnico di Milano International Master in Accessories Design directed by me. She was a very good student in all the accessories design classes but in the jewellery course she was really excellent in terms of design attitudes and methodology.

Shreyashee is a very witty student and passed brilliantly both the written and oral examinations. Her capacity to combine research data with design attitudes sincerely impressed me.

In my opinion Shreyashee Kumar is a very good jewelry and accessory designer and I unreservedly recommend her for your company. I will be pleased to provide any further information if required.

Regards,

A handwritten signature in black ink that reads 'Alba Cappellieri'.
